workshop in the "Centro Vecinal Pumarejo" proposing and elaborating the basic interface

vista / glance

redesign - Puma logo (made by ambulanciagrafica) for the website

basic interface for the El Pumarejo and its (until now) twenty associations

resumen / brief description >

www.pumarejo.org was a work we did in solidarity and collaboration with *El Centro Vecinal Pumarejo* and its associated goups in order to preserve the building *Palacio El Pumarejo* for its inhabitants and various cultural and political activities.
